		Director of Finance		
		Director of Logistics		
		Director of Medical Servi	ces	
		Director of Personnel Director of Security		
i		Director of Training		
	SUBJECT	Duty Status of Directors a of Support Offices	ind Deputy Directors	
	i. Either the Director or the Deputy Director of Support Offices should, to the extent possible, he on duty at Headquarters during official duty hours. In the event this may sometimes be impractical, I would like to have as much advance notice as possible, preferably by a short note describing the situation which requires both the Director and Deputy Director to be absent at the same time. The note should include information about where and how the Director and Deputy Director can be located if necessary and should identify the officer who will be Acting Director during the specified time of the absence. If time does not permit submitting this information by a note, a telephone call to my office will suffice. 2. We now have in affect a procedure to notify this office during planned absences of Support Office Directors and this system is working well. I should like to extend this procedure to Deputy Directors of Offices as well. If there is not enough time to effect this by a note, please advise my office by telephone.			
	3. For your information similar arrangements have been made for reporting to the President absences of Agency Heads and Deputies and for reporting to the Director absences of Deputy Directors and Assistant Deputy Directors.
